

# CAMPAIGN TO STOP KILLER ROBOTS

## Side Events by the Campaign to Stop Killer Robots

Convention on Conventional Weapons  
Experts meeting on lethal autonomous weapons systems  
Geneva  
13-16 May 2014

The Campaign to Stop Killer Robots is holding daily side events during the lunch period (13:00-14:30) of the Convention on Conventional Weapons (CCW) experts meeting on lethal autonomous weapons systems, which is being held at the United Nations in Geneva on 13-16 May 2014. Please also see the biographies of speakers available here: <http://bit.ly/1o6wCmt>

All side events will be held in Conference Room XXII and start at 13:00 with a sandwich lunch.
